

Business Loans

No two businesses are alike. That's why we structure our commercial loans to meet the needs and capabilities of your unique business.

We offer a diverse range of short- and long-term funding solutions. Because decisions are made locally, we'll get you the loan you need, when you need it.

Commercial Real Estate Loans

We offer a full range of commercial real estate loan products, including acquisition and development, construction, bridge, and permanent loans.

Commercial Line of Credit

A Commercial Line of Credit gives you the money you need to fill any cash flow gaps. Use it to support accounts receivable, replenish inventory, purchase new equipment, pay bills, or even increase cash flows.

Equipment Loans

We offer financing for all types of equipment, including repair and or replacement expenses. We can help make sure you have the money you need, when you need it.

Business Credit Cards

Bank of Utah offers two corporate credit cards to meet your business needs. Whether you want to earn rewards, pay no annual fees or eliminate carrying month-to-month balances, let Bank of Utah help you consolidate your high interest cards and provide you with the credit card your business

needs.
