Frequently Asked Questions:

- Do I need to apply for an RV loan in person or can I apply from home or my phone?**
 We have both options! You can apply at home or on the go using our convenient online application: [Apply for an RV Loan](#). Of course, you can always come into any Bank of Utah branch location to apply for an RV loan. [Find a Bank of Utah Location](#)
- My original loan has a high interest rate; should I refinance my RV loan?**
 Yes. Just like a house, if current RV loan rates are lower than the existing interest rate on your loan, we can help you with a refinance.
- Does that interest rate change if I purchase or refinance a new RV versus a used RV?**
 No. The *used* RV loan rate is the same as a *new* RV loan rate.
- Is the interest rate different if I purchase an RV from a dealership or from a private seller?**
 No. Bank of Utah has a simple process for any transaction, dealer or private seller.
- Can I borrow more than the RV is worth?**
 Yes. You can borrow up to 105% of the value of the RV. Some restrictions apply. [Contact a Loan Officer](#) for more details.
- My credit score is low; can I still qualify for an RV loan?**
 Each scenario is unique. [Contact a Loan Officer](#) to discuss your specific situation.
