Self-Directed IRA (Individual Retirement Account)

A self-directed IRA is another trust service which provides tax-deferred profits, tax deductions, asset protection and estate planning. It also puts you in control of your investments by allowing you to choose which investments are made.

Irrevocable Trust

An irrevocable trust is an estate planning solution which offers tax advantages, such as enabling a person to give money and assets to beneficiaries before passing.

Revocable Living Trust

A revocable trust is an estate planning solution which helps an individual manage assets, or even protection should the trust holder become ill, disabled or simply challenged by the symptoms of aging.

Fiduciary Accounts

Bank of Utah offers fiduciary administration on a variety of trust services, including Life Insurance Trusts, Custody Accounts, Conservatorships, Charitable Trusts, Probate Accounts, and Asset Protection Accounts.
